The City of Havelock is looking for a motivated high school student (upcoming 11th/12th grade) to work as a summer intern. The ideal candidate is one who has demonstrated a propensity for governmental leadership and a desire to understand the workings of local government. The City will provide a hands-on learning opportunity in a work environment suited for a high school student interested in local government. The selected intern will support a variety of projects that help the City carry out its mission while gaining experience in the daily operations of local government. The internship position will typically work between 30-40 hours per week. Work hours could include weekends and/or participating in after hour meetings or events. The successful applicant should have: excellent written and oral communication skills, a proficiency of basic computer programs, display a willingness to learn, commitment to quality work, and be prompt and flexible. Students who have taken government classes or served on advisory boards is a plus. Apply online at www.havelocknc.us. Applicants to be considered must submit a City application, and two teacher's recommendations. It is also required that all candidates provide a one page essay describing why they are the appropriate candidate. Hourly rate is \$8.00 per hour. The City of Havelock is an Equal Opportunity Employer. Position closes June 9th.

If you are enrolled in Honors or AP English next year, please check the HHS website for the summer reading assignments. Assignments are due on the first day of class. If you have any questions, see your English teacher.
